1. Seven Seas Yacht Services is authorized to perform work, including labor, parts and materials for the prices in cash or credit card to be issued to Seven Seas Yacht Services upon completion.
2. If I fail to pay for the above completed work, I understand Seven Seas Yacht Services shall have a mechanic's lien upon the vessel to secure payment for the work and I expressly waive all rights to claim exemption under the state laws.
3. If collection is made by a law suit or any other method required, I agree to pay interest of 23%APR until paid in full, including collection and reasonable attorney fees.
4. I agree not to hold Seven Seas Yacht Services liable for loss or damage to real or personal property caused by theft, fire or any other cause while boat and/or trailer is in for repairs, storage or sale.
5. Seven Seas Yacht Services employees may operate the above-described boat, motor(s) and/or trailer and my motor vehicle for purposes of testing, inspection, or delivery at my risk.
6. Seven Seas Yacht Services reserves the right to substitute parts for those currently available.
7. Storage charges shall be added to all items not picked up within 5 days after notification of completion of service.
8. All parts removed shall be discarded unless otherwise specified. If you would like your parts saved, please indicate so.

2022 Spring Commissioning Rates- includes charging batteries (using pier shore power inlet), run and check all house systems, run engines and generator, minor top off of engine fluids & fill of fresh water tanks. Boats commissioned by SSYS will be tied up in our service slip for pick up within three days of launch. Storage fees of \$25/day on land and slip rental of \$100/day will be charged for boats not picked up within the three day of work completion for any services.

- Up to 30ft \$299.00
- 31ft to 45ft \$399.00
- 46ft to 60ft \$599.00

Launch and/or Pick-up Date Requested (no launching done Saturday or Sunday) _____

Sea Trial includes performing a seatrial and recording all on test sheet, \$250.

Engine Services includes change of oil and oil filter, change of primary and secondary fuel filters, inspection of belts and hoses, engine zinc replacement when needed, and minor top off of engine fluids. All engine services are quoted at time and materials.

Generator Service includes change of oil and filter, fuel filter change, check of AC output and adjustment if needed and spark plug replacement.

Transmission Services includes the change of oil and filters where present and are quoted at time and materials. All transmission services are quoted at time and materials.

Stern Drive Service includes drive fluid change, removal of drive (when appropriate), a visual check and lubrication of u-joints and gimbal bearing, re-torque of gimbal ring, and removal of prop to grease and check prop shaft. All stern drive services are quoted at time and materials.

IPS Drive Service includes fluid and filter change were applicable. All IPS services are quoted at time and materials.

Impeller Change is recommended for both engines and generators at least every 100hrs or every two years. This is important for cooling your engines and can cause serious damages if not performed. This service is also quoted at time and materials.

Prop Re-conditioning is offered by SSYS. This will help with fuel economy, speed and reduce hardware fatigue. The reconditioning fees vary based on pitch, number of blades and type of metal. This service requires at least one hour labor plus the recondition fees. *(Recommended every 3 years.)*

Travel Lift Services- (Launching is included with your spring commissioning if you were hauled here in the fall)

NOTE: The Beam for the Travel Lift Well is only 14.5 ft.

Excessive Growth adds additional \$5/ft to rates below

- Haul, Powerwash, Block and Launch: up to 46ft \$13/ft
- Haul, Powerwash, Re-launch or Load: up to 46ft \$11/ft
- Haul, Block (No Powerwash) and Launch: up to 46ft \$11/ft

Zinc change/installation is necessary to prevent corrosion and will be done prior to launching.
